

BEHAVIOR POLICY

All patrons are expected to treat the library with the courteous and respectful manner it deserves.

Any loud, unruly or otherwise any disruptive behavior will not be tolerated.

Keep your voice down as not to distract other patrons.

Respect the patrons around you and go to another room or outside if you must use your cell phone.

Patrons using their own headphones must keep the volume at a level that no other patrons can hear.

No food, drink, candy or gum is allowed.

Failure to follow these rules will result in you being escorted from library premises, no exceptions.
